Most Merciful.**

AN OPEN LETTER & AMICUS CURIAE BRIEF

To ALL the people who are acting as judges in Gibraltar.

The attached affidavit is presented to the court/s as an Amicus Curiae Brief, in the case against Philip Arundel van der Westhuizen and **ALL** other cases brought before **EVERY** court in Gibraltar.

I most strongly recommend that it be taken **extremely** seriously, especially since the Brexit.

The Brexit explained in a nutshell:-

Revelation/Apocalypse 18:4 And I heard another voice from heaven, saying, COME OUT of her, MY people, that ye take not part in her sins, and that ye receive not of her plagues (punishment).

18:5 For her sins have reached unto heaven, and God hath remembered her inequities.

Date: 27th June 2016.

Signed: *Christ – King of Gibraltar.* (JAHTruth.net/britca.htm)
