DEUTERONOMY

30:15 See, I have set before thee this day life and good, and death and evil;
30:16 In that I command thee this day to love the "I AM" thy God, to walk in His Ways, and to keep His Commandments and His Statutes and His Judgments, that thou mayest live and multiply: and the "I AM" thy God shall bless thee in the land where thou goest to possess it.

Crown v. Farrell

As Mr. Charles Pitto has refused me my right to a trial by jury, as is my right under Magna Carta 1215 and the Bill of Rights 1688, I am left with no alternative other than to challenge the jurisdiction and authority of the Crown, the Court and the lawfulness of the fraudulent legislation mandating the wearing of health-harming face-nappies and lockdowns.

The jurisdiction and authority of the Crown and Court cannot be decided by any other than an independent jury. Jurisdiction cannot be decided by any judge, or magistrate, or any other Crown employee, because it is a Maxim in Law, that no man can judge in his own cause, or a cause to which he is a party, and that OBVIOUSLY refers to ALL crown employees.

The parliament has NO authority to make laws, NONE, as that is ultra vires their competence. It also has no authority to make "social contracts", and cannot claim to have the authority of the electorate to do so, because the electorate cannot delegate, to parliament or anyone else, an authority that it does not itself possess.

In any case the monarch and parliament are SERVANTS of the people, NOT their masters, and have NO authority to take away any of my God-given rights.

During the coronation the person being coronated is told: "Your Majesty, as children of the Kingdom of God we welcome you in the name of the King of kings."

The king/queen replies:

"In his name and after his example I come not to be served, but to SERVE."

If I had been granted a trial by jury I would have gone ahead and presented my case to the jury, whom I'm sure would find me not guilty of any crime or offence, after hearing my evidence that the Novel Coronavirus does not exist, and that face-masks are harmful, and that's why he denied me a jury, quoting unlawful fraudulent legislation as his authority. Fraud vitiates EVERYTHING it touches.

Mr. Pitto has already demonstrated his bias in this case, by openly stating that I have to obey his god the GoG, instead of God, even when they tell me to harm myself, which is absolutely ludicrous, insane and unlawful. No-one has that right.

Thus Mr. Pitto must grant me a trial by jury, or throw out the fraudulent charges, or recuse himself, because of his idolatrous bias, and mistaken belief in the sovereignty of Parliament, instead of the sovereignty of the people they are supposed to serve, and the fact that he has broken his oath of office, and thus vacated his office, and was no longer a magistrate with immediate effect, on the date that he refused me my right to trial by jury, under Magna Carta 1215 and the Bill of Rights 1688.

A judge is the last defence of the righteous; against bad, oppressive and tyrannical government; and when judges and magistrates are unwilling to keep their oath of office and uphold the Laws of God that the monarch swears to maintain to the UTMOST of their power, to protect the people, only tyranny can ensue, exactly as it has under the unlawful Covid Mandates.
