**A REQUEST FOR INTERVENTION FROM THE GOVERNOR OF
GIBRALTAR
CROWN V ANTHONY FARRELL
30TH JUNE 2023**

Dear David,

PURPOSE OF THE REPORT

The purpose of this written communication is to respectfully request your intervention in proceedings associated with my court case concerned with The Civil Contingencies Emergency (Coronavirus) (Masks in Public Areas) Regulations 2020 & 2021.

BACKGROUND

On 2nd June 2023, I filed a short minute of notice to the Magistrates Court which is attached as Appendix A. In an interim hearing in the Magistrates Court held on 25th April 2023, The Stipendiary Magistrate Charles Pitto set a date for a trial hearing in the Magistrates Court for 11am 30th June 2023. He did this after he had first denied me my right to be tried by a jury of my peers as per my request, as made to him in writing during April's interim hearing. After reading my submission (Appendix A), Mr. Pitto made his decision to deny me my right to a trial by jury.

The Lord, being mindful of your career in the Royal Navy, in serving as a Director, Legal and Personnel Services, and as a Senior Naval Lawyer advising the Executive Board of the Royal Navy, Commanders-in-Chief and Commanding Officers at sea and ashore on Criminal, Employment and International Law, advised me to write to you in your capacity as the governor of Gibraltar.

Respectfully, I would ask you therefore to please read the legal argument carefully, written exactly as presented to Charles Pitto at the interim hearing, as to why my trial needs to be via a jury of my peers.

We are certain that Charles Pitto has erred in his decision-making, and feel your intervention would be entirely appropriate and timely on a matter of considerable public interest and relevance to The Coronation Oath.

Prior to this request, I had read out a previous statement before the Magistrate Charles Pitto on 10th March 2023. The wording below replicates the exact words as read out on that date.

PLEA HEARING – FARRELL BEFORE MR. PITTO – 10/03/23

“Since my last appearance before you on 23rd February 2023, I have managed to have a full hour's consultancy with Suresh Mahtani and I have also very briefly spoken with Andrew Haynes about the particulars of this case. If my understanding is correct, this hearing today remains a plea hearing. However, owing to the irrational Covid 19 mandates I do not intend to make a plea, but if it's your wish to default that to not guilty then so be it. I would respectfully ask that you allow me sufficient time to prepare my defence case, as there are a number of complex legal arguments emerging from consultations, which will, in all probability, form part of my emerging defence case. As this easily provable irrational health-harming mask mandate affected everyone in Gibraltar, and is thus in the public interest, because everyone's God-given rights were violated, and in case the government tries to re-impose similar mandates, my trial needs to be before a jury of my peers, as also is my right under Magna Carta”

You may also wish to review the short video which has been published on the Gibraltar Messenger website about the previous hearing, before reaching any decision of your own, on the matter as to whether or not you can and / or will intervene in order to facilitate a trial by jury as is my right under Magna Carta. As you have also sworn allegiance to Charles, you are also bound by the Coronation Oath to uphold my right, under Magna Carta, to a trial by jury.

Tony Farrell – My Day in Court on 25 April 2023

<https://gibraltar-messenger.net/tony-farrell/my-day-in-court-25-april-2023/>

As things stand, my request for a trial by jury has been declined and a trial date has been set for the Magistrates' Court for 11am on 30th June 2023. It should be noted that the prosecution dropped the two charges for indictable offences of obstructing police officers, taking the view that it was not in the public interest to proceed. I would be grateful if you would be willing to give the matter careful consideration, given that this is about serious matters on a global scale. In an effort to aid your decision-making, please see Appendix C for a chronology of main events associated with this case which originates back to November 2020.

Yours Sincerely

Anthony Farrell

PS. This communication does not include the body of evidence showing why face masks are unlawful, harmful and irrational and why the Novel Coronavirus does not exist, as that ideally should be reserved for a trial by a jury of my peers.

APPENDIX A

Minute of Notice
Magistrates Court
of
Gibraltar

02 June 2023

MAGISTRATES COURT
02 JUNE 2023
CROWN v. FARRELL

DEUTERONOMY

30:15 See, I have set before thee this day life and good, and death and evil;

30:16 In that I command thee this day to love the "I AM" thy God, to walk in His Ways, and to keep His Commandments and His Statutes and His Judgments, that thou mayest live and multiply; and the "I AM" thy God shall bless thee in the land where thou goest to possess it.

Crown v. Farrell

As Mr. Charles Pitto has refused me my right to a trial by jury, as is my right under Magna Carta 1215 and the Bill of Rights 1688, I am left with no alternative other than to challenge the jurisdiction and authority of the Crown, the Court and the lawfulness of the fraudulent legislation mandating the wearing of health-harming face-nappies and lockdowns.

The jurisdiction and authority of the Crown and Court cannot be decided by any other than an independent jury. Jurisdiction cannot be decided by any judge, or magistrate, or any other Crown employee, because it is a Maxim in Law, that no man can judge in his own cause, or a cause to which he is a party, and that OBVIOUSLY refers to ALL crown employees.

The parliament has NO authority to make laws, NONE, as that is ultra vires their competence. It also has no authority to make "social contracts", and cannot claim to have the authority of the electorate to do so, because the electorate cannot delegate, to parliament or anyone else, an authority that it does not itself possess.

In any case the monarch and parliament are SERVANTS of the people, NOT their masters, and have NO authority to take away any of my God-given rights.

During the coronation the person being coronated is told: "Your Majesty, as children of the Kingdom of God we welcome you in the name of the King of kings."

The king/queen replies:

"In his name and after his example I come not to be served, but to SERVE."

If I had been granted a trial by jury I would have gone ahead and presented my case to the jury, whom I'm sure would find me not guilty of any crime or offence, after hearing my evidence that the Novel Coronavirus does not exist, and that face-masks are harmful, and that's why he denied me a jury, quoting unlawful fraudulent legislation as his authority. Fraud vitiates EVERYTHING it touches.

Mr. Pitto has already demonstrated his bias in this case, by openly stating that I have to obey his god the GoG, instead of God, even when they tell me to harm myself, which is absolutely ludicrous, insane and unlawful. No-one has that right.

Thus Mr. Pitto must grant me a trial by jury, or throw out the fraudulent charges, or recuse himself, because of his idolatrous bias, and mistaken belief in the sovereignty of Parliament, instead of the sovereignty of the people they are supposed to serve, and the fact that he has broken his oath of office, and thus vacated his office, and was no longer a magistrate with immediate effect, on the date that he refused me my right to trial by jury, under Magna Carta 1215 and the Bill of Rights 1688.

A judge is the last defence of the righteous; against bad, oppressive and tyrannical government; and when judges and magistrates are unwilling to keep their oath of office and uphold the Laws of God that the monarch swears to maintain to the UTMOST of their power, to protect the people, only tyranny can ensue, exactly as it has under the unlawful Covid Mandates.

APPENDIX B

Regina V Anthony Farrell (Read by Charles Pitto 25/04/23)

On the 25th of April in the year of our Lord – Christ – I intend to demand that my right to a jury trial be respected, in accordance with The Laws and Customs that the monarch swears to maintain, as the most important part of their Coronation Oath, which is a solemn contract with the British-Israel people. The oath is a crucial part of the Coronation and requires the monarch to pledge to uphold the laws and customs of Britain and govern its citizens with justice. The jury has 12 members who symbolically represent one juror from each of the 12 Tribes of Israel, of which one tribe is the Tribe of Gad, and that tribe is today the British Gibraltarians and people of The Campo, and thus bound to keep God’s Law. The word British/Berit-ish is Hebrew and Berit/Brit means Covenant and ish means man, thus the word British means Covenant-Man, i.e. the British are the true Israel, as God has only ever made a Covenant with one nation: the Nation Israel, not to be confused with the people in the Holy Land today. <http://JAHTruth.net/britca>

The British Gibraltarians are Israelites not Jews, and are from the Israelite Tribe of Gad, not from the Tribe of Judah/Jew-dah. Gad was the 9th one of Jacob-Israel’s 12 sons and a brother of Judah/Jew-dah the 5th son. <http://JAHTruth.net/britspan> The monarch having sworn solemnly to maintain The Laws of God (God’s Perfect Royal Laws of Liberty that prevent tyranny, oppression and poverty) to the UTMOST of their power, as well as the British customs, is then bound by that oath to do so. Those British customs since 1215 include, but are not limited to Magna Carta, and Magna Carta Article 29 guarantees every free man the right to trial by a jury of his peers. Magna Carta cannot be rescinded, and thus is still in force today, to prevent governmental tyranny and maintain justice. “I solemnly promise and swear to govern the Peoples of the United Kingdom of Great Britain and Northern Ireland and of my possessions and the other Territories to any of them belonging (that obviously includes Gibraltar) or pertaining, according to their respective laws and customs.”

Article 29

The body of a free man is not to be arrested, or imprisoned, or disseised, or outlawed, or exiled, or in any way ruined, nor is the king to go against him or send forcibly against him, except by judgment of his peers or by the law of the land (God’s Laws). God’s Laws prohibit men from legislating, on pain of death, so the only Law of the Land is God’s Law that the monarch swears to maintain to the UTMOST of their power.

Deuteronomy 17:12 And the man that will do presumptuously, and will not hearken unto the priest (Christ) that standeth to minister there before the "I AM" thy God, or unto the judge (Christ), even that man shall die: and [thus] thou shalt put away the evil from Israel. 17:13 And all the people shall hear, and fear, and do no more presumptuously (in thinking they are a law unto themselves).

Deuteronomy 4:2 Ye shall not ADD unto the word which I command you, neither shall ye diminish [ought] from it, that ye may keep the Commandments of the "I AM" your God which I COMMAND you.

Deuteronomy 12:8 Ye shall not do after all [the things] that we do here this day, every man whatsoever [is] right in his own eyes.

12:32 What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish from it.

Thus the monarch guarantees, by their solemn oath before the British people, my right to trial by a jury of my peers. Therefore any legislation that denies me that right, is ultra vires, fraudulent and thus null and void ab initio. The judiciary swears an oath before God to serve the monarch, in direct violation of the First Commandment to serve ONLY God, and thus is likewise bound by the Coronation Oath to guarantee my right, under Magna Carta, to a trial by jury.

Bible New Testament Gospel of Mark 12:28 And one of the lawyers came, and having heard them reasoning together, and perceiving that he had answered them well, asked him, Which is the first COMMANDment of all?

12:29 And Jesus answered him, The First of all the Commandments [is], Hear, O Israel; The Lord our God is one Lord:

12:30 And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength and serve Him ONLY: this [is] the first COMMANDment.

12:31 And the second [is] like, [namely] this, Thou shalt love thy neighbour as thyself. There is none other COMMANDment greater than these.

Any member of the judiciary who denies me that right, breaks their official oath and thus vacates their office with immediate effect. I therefore demand that the judiciary arranges a suitable future date, for my trial by jury, and the facility to show the jury video evidence, to support my innocence. Thanking you in anticipation of your cooperation in arranging this.
